

***Commemorative Meeting to Celebrate Research Collaboration
between Department of Medical Sciences (Thailand) and
Osaka University (Japan)***

Date: August 29 (Monday), 2005

Place: Pathumwan Princess Hotel

444 Phayathai Rd., Wangmai, Pathumwan

Tel: 66-2-216-3700

HP: <http://www.pprincess.com/>

Part 1

Kickoff Seminar for “Thailand-Japan Research Collaboration Center (RCC) on Emerging and Re-emerging Infections”

- 13:00 – 13:30 **Registration**
- 13:30 – 13:45 **Opening** (Chair by Professor Yoshitake Nishimune, Director of RCC)
Welcome address by Professor Taroh Kinoshita, Director of Research Institute for Microbial Diseases (RIMD), Osaka, Japan
Welcome address by Dr. Pajit Warachit, Director General of Department of Medical Sciences (DMSc), Nonthaburi, Thailand
- 13:45 – 14:45 **Lectures 1-4** (Chair by Dr. Koichi Yamanishi, Director General of National Institute of Biomedical Innovation, Osaka, Japan)
Basic to applied research on emerging viral infections
Kazuyoshi Ikuta, RIMD, Osaka, Japan
Role of DMSc on HIV research activities in Thailand
Wattana Auwanit, DMSc, Nonthaburi, Thailand
HIV pathogenesis and host factors
Tatsuo Shioda, RIMD, Osaka, Japan
Influenza laboratory surveillance in Thailand
Pranee Thawatsupha, DMSc, Nonthaburi, Thailand
- 14:45 – 15:15 Coffee Break
- 15:15 – 16:15 **Lectures 5-8** (Chair by Dr. Pathom Sawanpanyalert, Co-Director of RCC and Director of Medical Biotechnology Center, DMSc, Nonthaburi, Thailand)
Highly pathogenic avian influenza occurred in Japan
Shigeo Yamaguchi, National Institute of Animal Health, Ibaraki, Japan
Avian influenza situation in animal in Thailand
Chantanee Buranathai, Department of Livestock Development, Bangkok, Thailand
Current and future subjects of Bacteriology Section
Takeshi Honda, RIMD, Osaka, Japan
National antimicrobial resistance surveillance system in Thailand
Surang Dejsirilert, DMSc, Nonthaburi, Thailand
- 16:15 – 16:20 **Closing address** by Dr. Pathom Sawanpanyalert, DMSc, Nonthaburi, Thailand

Part 2

Signing Ceremony of Research Collaboration between Department of Medical Sciences (Thailand) & Osaka University (Japan)

- 16:30 **Signing**
Master of Ceremony: Dr. Kazuhisa Miyamoto, Osaka University
Collaboration Research Station at Mahidol University,
Bangkok, Thailand
Signing by Dr. Hideo Miyahara (President of Osaka University) and
Dr. Pajit Warachit (Director General of DMSc)
- 16:40 **Taking commemorative photographs**
- 17:00 – 19:00 **Banquet**
Complementary address by Japanese Ambassador to the Kingdom
of Thailand
Complementary address by Dr. Koichi Yamanishi, Director General of
National Institute of Biomedical Innovation, Osaka, Japan
Complementary address by Dr. Toshiaki Taniguchi, Director General
of National Institute of Animal Health, Tsukuba, Japan
Complementary address by Dr. Pornchai Matangkasombut, President
of Mahidol University, Bangkok, Thailand

**Inquiry: Prof. Dr. Kazuhisa Miyamoto (Osaka University Collaboration
Research Station at Mahidol University, Bangkok, Thailand)
Tel: 66-2-201-5920; e-mail: miyamoto-thai@icb.oska-u.ac.jp**
